

Spec 10 (Last updated 3/7/2023)

Chassis and parts

1. All parts must be available for purchase from the RJ Speed website or TK Racing website/Facebook page.
2. RJ Speed Spec 10 or TK Racing Godfather chassis only. No spec mod. **NO PRINTED PARTS.**
3. RJ Speed Spec 10 or TK Racing unmodified parts only, this also includes springs, steering blocks and axles. Turnbuckles are allowed for steering links. Bearings are allowed.
4. No cutting or shaving of ANY parts to reduce weight. No drilling holes in any parts or body to reduce weight.
5. 92 tooth spur only and 46 or 47 tooth pinion only. (64 Pitch gears only.)
6. The only legal springs are the RJ Speed #5228 red or yellow springs shipped with the kit or the TK Racing red springs.
7. Must run the RJ or TK rear bars and collars.
8. Rear axle must be part # RJS-5730
9. 4mm ride height minimum
10. No performance improving hardware.

Bodies

1. RJ Speed bomber body or McAllister 181 or 182 bomber body only.
2. No alterations or scraping to the body.
3. Body must be trimmed on the manufacturer's molded cut line. Wheel well area can be trimmed forward or back to fit the location of the tire.
4. The only holes allowed in the body are the 4 body mount holes.

Tires

1. CRC rubber carpet tires only. #2314.
2. The only allowed modification of the tires is gluing the sidewall. Any and all other modifications to the tires are illegal.

Electronics

1. ESC: Hobby Wing Justock with booster or any 1S ESC in Blinky. **CAR OWNER MUST PROVIDE TECH THE TOOLS NECESSARY TO CHECK FOR BLINKY MODE ON THEIR CAR WHEN NECESSARY.**
2. Motor: Gravity RC Spec10 17.5T (silver) Motor (part# GRC2020).
3. Battery: The only legal battery is the 1s Protek 130C 8800Mah, part #: PTK-5105-22.
4. Servo must be a standard low-profile servo.

***No jumping the start of a race.** All cars must cross the start finish line in their qualifying order. The driver who jumps the start is sent to the back of the field and the race is restarted. Passing a car that was driven all the way up to the wall, without interference by another car, is not a jump.

*SIRCS is the Spec 10 headquarters and any class rule changes must be approved by SIRCS Spec 10 Mafia.

***Final interpretation of rules is left to SIRCS Spec10 Mafia**

*This class is made so all cars are kept as even as possible and every attempt will be made to keep it that way, including rule changes if necessary!

*This is a class to have fun with! **CONTACT IS GOING TO HAPPEN!**
